Special Notice

Due to circumstances beyond our control the location for the Spring Women's Walk (#15) has been changed. The Walk will be held at Camp Carolwood, near Lenoir. This change in location will create "opportunities" for the Community, all of which will result in the Lord's blessing for the new pilgrims. Some details may be different from prior Walks but we can rest assured that the Lord's presence will be the same. More details and a map will be in the next newsletter.
