Summer is upon us in full throttle. The sun sets only just before bedtime, the smell of freshly mowed grass, the birds chirping songs of praise, and homemade ice cream is on tap. Summer means the suspension of daily routines for the holidays or vacations. When I think about summer, I think about vacation at the beach. My toes in the sand and listening to the never-ending sound of the waves crashing at the shore.

What entices you about summer? Maybe we should rethink summer? Proverbs 6:6-9 says "Take a lesson from the ants, you lazybones. Learn from their ways and become wise! Though they have no prince or governor or ruler to make them work, they labor all summer gathering food for the winter..."

Mark Twain, in burying his daughter Oliva wrote, "Warm summer sun, shine kindly here; Warm southern wind, blow softly here; Green sod above, lie light, lie light, good night, dear heart." This quote was shocking to some, because Twain rejected Christ.

I urge you all, including myself, that we rethink summer! Let's worry more about hearing the never-ending sounds of God than the waves of tomorrow. Let's use summer to refresh our hearts for a new in God. Let us labor in bringing new people to Christ.

Decolores,

Lee Suggs

Note from Spiritual Director – Jeff Hamrick

A recent quote I ran across in an old church bulletin reads as follows: *“You expect God’s grace in summer as well as in winter. Has He not a right to your all-year-round devotion?”*

It’s hard to believe that it is now July, and half of this year is already gone. It is true that the older I get, the faster time flies. As summer break is coming close to an end, Emmaus is preparing to kick off the fall walks. It is a wonderful time of year in the Emmaus community as teams are preparing, reviewing talks, worshipping, and celebrating Holy Communion together (and of course, eating). What is the saying: when Emmaus meets, Emmaus eats! In these last few weeks of summer, please be in prayer and fasting for the upcoming Emmaus Walks (Walk #169 & 170). Pray that God will bless the pilgrims that God has chosen in advance for these walks. Pray for the team that they will be used as instruments of God’s grace. Pray that our Emmaus community will continue to grow. Sponsor a husband, wife, son, daughter, mother, father, relative, friend, neighbor, friend, church member, stranger...pass on the gift that you received. Think about what Emmaus has done for you and your life. Emmaus changed my life. The combination of grace and faith brings about changes in us – forgiveness, salvation, new life, the hope and promise of eternal, abundant life, and so much more. We could never do it on our own. It takes the gift of God’s amazing grace. Please consider giving someone else the opportunity to experience the same wonderful gift you received when you went on your walk.
