(If this aspect of the walk is not clear to you, please read the instructions and/or talk to someone with knowledge about the "Equal Commitment Rule".) These questions are not meant to keep anyone from attending the walk, but rather to insure that you have considered and understand the importance of the "Equal Commitment Rule".

Emmaus encourages the involvement of the Candidate's Pastor during this experience. Therefore, you should always make every effort to contact their pastor to discuss the Candidate's participation in the Emmaus weekend and request an agape letter from them.
